Re: Revised informal response

---

Dear Examiner Tsoy:

Attached is a revised informal draft response to the Final Office Action mailed on July 17.

Following our telephone conversation of Thursday September 4, I have more fully addressed the distinctions of the present invention over Douglas et al.

Relative to the first informal draft response dated August 25, I modified claims 38 and 46 and added extensive remarks related to Douglas et al.

I will attempt to contact you by telephone on Thursday September 11 to discuss this revised informal draft response. I hope that you will find that the claims are now in condition for allowance.

Thank you for your assistance with this matter.

Sincerely, Chris Eberspacher
